<http://dx.doi.org/10.1016/j.neuron.2015.08.010>

(Neuron 87, 382–398; July 15, 2015)

On page 5, we stated WT, Fmr1 and Fmr1 KO/App Het neurons. The text should have read WT and Fmr1 KO/App Het neurons. The molecular weight markers are not all correct in Figure 1B. Both oversights have been corrected in the article online before publication.
